On June 14, 2020 at approximately 7:21 a.m., members of the Nashua Police Department's Uniform Field Operations Bureau responded to an address in Nashua for the report of a disturbance. It was initially reported that two females and one male were fighting within the building. Officers made contact with 38 year old Kevin Jamar Porter, identifying him as one of the involved participants in the disturbance. Porter was found to be in possession of a knife, which he was prohibited from possessing given his status as a convicted felon. When officers attempted to place Porter under arrest he actively resisted and after a brief struggle, he was successfully taken into custody. At the time of arrest, Porter was found to be in possession of separate quantities of suspected Crack Cocaine and Cocaine. Detectives from the Nashua Police Department's Criminal Investigation Division were notified and furthered the investigation. During the course of the investigation it was determined that Porter had displayed a knife while arguing with two females that were known to him, and that he had damaged an interior bedroom door. There were no injuries sustained during the incident. It was also determined that Porter had an active warrant issued by the Commonwealth of Massachusetts, which carried nationwide extradition. This warrant charged Porter with a Probation Violation with the original offense listed as – Homicide; Willful Kill; Non-Family; Gun. Once at the Nashua Police Department, Porter damaged an interior sprinkler head while housed in the detention area, which resulted in a second charge of Criminal Mischief.
