On January 25th, 2012, at approximately 5:40 PM, members of Department's Uniform Patrol Division arrested Craig Liatsis, age 59, and James McCann, age 46, both of 6 Taft Street, Nashua, New Hampshire. Liatsis and McCann are both charged with one count of Conspiracy to Manufacturing a Controlled Drug, Marijuana, Felony.

Members of the Narcotics Intelligence Division conducted this investigation during December of 2011 and determined that there was a large scale marijuana growing operation at 91 1/2 Palm Street. A search warrant was conducted on this residence in December where detectives located approximately 250 marijuana plants and sophisticated growing equipment. It was determined through this investigation that Liatsis, the owner of the residence, and McCann had assisted with this operation and were aware of the activities taking place at the operation.

A felony is punishable by a term of imprisonment, exclusive of fines. Liatsis and McCann were released after posting \$25,000.00 Cash/Surety bail and will be arraigned in the 9th District Nashua District Division Court on February 21st 2012.
